**The Household  
Workshop**

# master compact

## The Household Workshop

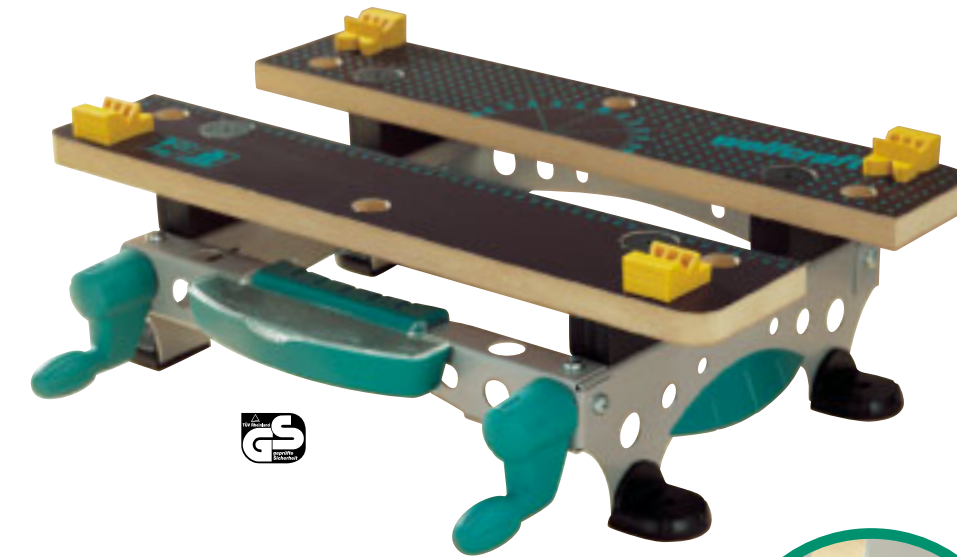

Art.Nr. 6162000

Ideal for household repairs, handicraft work or small renovations.

Storage with lid, for holding small parts.

Thanks to its compact size, it is easy to store and always quick to hand. Fits into most kitchen cupboards.

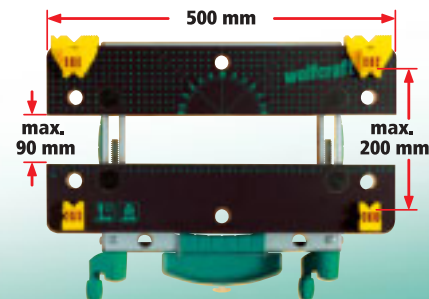

Plastic clamping jaws for flat and round clamping.

High-quality MDF top with a variety of clamping options.

With slip-resistant rubber feet.

max. 125 kg
